3 ART ELECTIVE & HIGHER MUSIC PROGRAMMES

We offer the Art Elective Programme (AEP) and the Higher Music Programme (HMP) to students with special talent and keen interest in art and music respectively. Please note that students may opt to take the selection tests of both programmes. However, students may only opt for either AEP or HMP upon successful application but not both programmes due to restrictions in timetable.

Students who are admitted into either programme could also opt for a 3rd Language (if they have been offered), with the exception of Malay (Special Programme), provided there are no schedule conflicts. However, they will **not** be able to offer any other school-based or MOE programmes at the upper secondary such as the following due to restrictions in timetable:

Humanities Programme (HP), Bicultural Studies Programme (BSP), Chinese Language Elective Programme (CLEP) and Science and Math Talent Programme (SMTP)

Both AEP and HMP are designed and best experienced as 4-year programmes. AEP, as an MOE programme, will additionally require students to sign an undertaking form to officially enrol and confirm their 4-year commitment upon successful placement. Please also note that there will be a selection process for a 2nd intake to either programme at the end of Secondary Two.

The final selection results for AEP and HMP will be released via email/ phone by 6 pm on Wed 29 Dec 2021. For more information on the programmes, please visit the school website.

You may contact Ms Wang Mo at wang_mo@nygh.edu.sg for more information related to AEP, and Ms Theodora Huang at theodora_huang_xinyi@nygh.edu.sg for more information related to HMP.

Parents are to alight their child at the designed drop-off/ pick-up point in front of the Auditorium Lobby.

B Parents who are picking up their daughters after school

To alleviate the traffic situation along Linden Drive, parents' vehicles are allowed to enter the school compound to park in front of Auditorium Lobby. However, the amount of parking space within the school is limited.

C Parents' vehicles are allowed to enter the school premises only under the following conditions:

- at Meet-the-Parents' sessions
- at special events organised by the school
- when dropping off/ picking up your child

D Parking within school compound

Only school staff and authorised vehicles with designated car labels will be allowed to enter the school compound. The school basement car park is reserved for staff and invited guests. All visitors' vehicles are to be parked in front of the Auditorium Lobby.

E Students coming to school by the side gate

On school days, the side gate along Dunearn Road is opened from 6.15 am to 8.30 am and from 2 pm to 4 pm. After 4 pm, students may exit the side gate using their student ezlink cards via the full-height turnstile.

We strongly encourage all students to commute to school by public transport. We seek your understanding and cooperation as we work together to ensure the safety of our students and to show consideration for nearby residents.

15 PARENT SUPPORT GROUP

As parents, we play a very big part in our children's development into well-rounded and responsible youths.
